MOBILE FIRE-RESCUE DEPARTMENT

Bureau of Fire Prevention
Fire Code Enforcement Division

Operational Permit Fee Schedule

Annual inspections are required for all aboveground diesel and gasoline fuel storage tanks (AST) with a liquid capacity greater than 60 gallons within the City of Mobile.

It is unlawful to fill an aforementioned AST that does not have a current inspection sticker attached to the tank.

Note: A fuel truck driver could be issued a $250.00 Municipal Offense Ticket for filling a non-compliant AST within the city limits.

Aboveground Storage Tank Inspection and Permit

Capacity in Gallons	Fee
60 - 1,000	$91
1001 - 6,000	$141
6001 - 12,000	$181
Above 12,000	$241

Note: The inspection fee for a new AST will be equivalent to the Annual Inspection fee for that size tank.

Fire Works Displays are regulated by the State Fire Marshal and Bureau of Fire Prevention. Assembly structures are regulated by the Bureau of Fire Prevention and the Building Department.

Permit Type	Regulations	Fee
Fire Works Display Indoor	State Fire Marshal Permit and Fire Code Permit	$61
Fire Works Outdoor	State Fire Marshal Permit and Fire Code Permit	$121
Ceremonial Bon Fire	Fire Code Permit	No Fee
Haunted House	Fire Code Permit and Building Code Permit	No fee
Assembly Tent	Building Permit with a Fire Code Inspection	N/A
