FY 2010-2011**

CAPITAL IMPROVEMENTS BUDGET

In accordance with Act 85-229, Section 60, a capital budget for fiscal year 2010-11 is submitted for Council approval. Also, as required by this Act, a five-year Capital Improvements Budget Plan is submitted.

In summary, the FY2010 budget included the reduction of two prior period capital appropriations totaling \$3,500,000 with intentions to restore in FY2011. Of the \$3,500,000, Administration has concluded that only \$2,500,000 which is for Economic Development Incentives should be restored this year. The \$1,000,000 allocated to the Telephone Switch Upgrade is still postponed. The proposed budget estimates \$16,650,000 for Net Sales Tax Receipts.

The proposed budget projects overall funds available of \$16,750,000. Of this amount, \$10,621,634 is projected to be expended for debt service and interfund transfers. The interfund transfer is budgeted from the Capital Improvements Fund to the Mobile Metro Transit Service Fund. The amount of the transfer is \$307,526.

The Capital Improvements Budget includes \$1,411,000 for Improvements and Repairs. Some of these projects are Miscellaneous Street.; this project is used for citywide emergency street and drainage improvements and repairs, cave-ins, etc.-- \$350,000; City Match –Fire Department Grant -- \$250,000; Miscellaneous Bridges -- \$200,000; and Saenger Theatre -- \$200,000.

STRATEGIC PLAN BUDGET

The projected revenues for the FY2011 Strategic Plan budget total \$12,554,637. Of this amount, \$11,554,637 will be derived from certain designated taxes and licenses and \$1,000,000 is a budgeted receivable from GMAC as sponsor of the GMAC Bowl. A tax entitled "Lodging Tax" was imposed by Ordinance 34-055, Adopted December 7, 2004 and 2% of the revenues derived from this tax is designated for deposit into the Strategic Plan Fund. These revenues are to be used for the City's Share of the USA Cancer Center Project.

Interfund transfers are budgeted from the Strategic Plan Fund to the General Fund and the ALS Transport Enterprise Fund. The amount to be transferred to the General Fund is \$4,314,675, which includes continuing funding for the E911 Program and the Police Officer Program and an

amount of \$131,000 which is the excess of Lodging Tax projected over the amount needed for the City's contribution to the USA Cancer Center Project. The amount to be transferred to the ALS Transport Enterprise Fund is \$1,023,428, which is for the Ambulance Program and the Fourth Paramedic Unit – continuing programs in the Strategic Plan Fund. An amount of \$98,975 is budgeted for the Ladd Stadium debt payment.

The second major category of expenditure in this fund is debt service. The Strategic Plan Fund is responsible for paying \$5,773,646 of the City's general obligation debt service. Also listed in this category is the City's payment to the USA Cancer Center Project.

Another area of expenditures included is Strategic Plan Fund Performance Contracts. Due to the current economic conditions, the City was forced to maintain the reduction in all Performance Contracts by at least 10% which was implemented in FY2010. In the FY2011 Budget, Mobile Educational Fund has a proposed allocation of \$135,000; Workforce Development \$54,000 and \$45,000 for the Battleship Restoration project. The City's obligation for the college football bowl game is now \$1,135,000; however, this is offset by the \$1,000,000 receivable from GMAC. The Mary Abbie Berg Center will receive \$100,000 for capital expansions and renovations of its facility.

Finally, the Strategic Plan Fund has proposed allocations for 3 Tower Site Rentals for 800 MHZ \$130,000; \$125,000 for City-wide Marketing & Strategic Planning and \$485,000 for Communication/REACT/Citismart. These funds will be used for continuation of the Alert System and the installation of communications equipment in several new and/or renovated facilities throughout the City.

CONVENTION CENTER

Total budgeted revenue for the Convention Center Fund for FY2011 is \$9,830,000. Of this amount, \$8,190,000 is anticipated revenue from the Sales Tax on Restaurants and \$1,640,000 is anticipated revenue from the 2% Room Tax.

The largest single category of expenditure is \$4,321,536 for Debt Service of the Convention Center. Remaining budgeted expenditures are \$1,350,000 for Convention Center Operations; \$200,000 for Maintenance and Equipment Allowance; \$2,800,000 for Mobile Bay Convention and Visitor's Bureau; and \$500,000 for Building Insurance.

Finally, \$622,550 is proposed for Additional Convention Center Funding; \$602,550 represents Performance Contracts. Due to the current economic conditions, the City was forced to maintain the reduction in all Performance Contracts by at least 10% which was implemented in FY2010. These allocations include: LPGA \$315,000; Bayfest \$243,000; United Cerebral Palsy \$22,500; Southwest Basketball for \$22,050; and \$20,000 for Marketing.
