For clarity and consistency, the City encourages you to complete your application in accordance with the following outline:

1. Please provide a summary of your agency's prior experience over the past five years in administering CDBG, HOME, ESG or other federal funding. Please provide the name and telephone number of a contact person from any of these sources.

2. NARRATIVE

A. Project Summary

1. Introduction:

Discuss in detail the proposed program or activity for which CDBG, HOME or ESG assistance is requested. Outline the need/problem in accordance with the listing of eligible activities provided as an attachment and state how your organization plans to address it.

2. Statement of Work:

List the overall performance goals and outcome measures of the proposed program/activity. State in specific terms what is expected to be accomplished over a 12-month period.

List the objectives of the proposed program/activity. Objectives should address steps to be taken within a 12-month period to accomplish the above listed goals and stated in quantifiable, measurable terms.

Please provide job descriptions of all personnel involved in the delivery of proposed services.

3. Proposed Twelve (12) Month Program Budget:

Prepare a line-item budget and budget narrative. Indicate the total amount of CDBG, HOME or ESG funds requested. Provide, by line-item documentation of anticipated costs, detailing the manner in which funds will be spent.

Does your agency/organization currently receive CDBG, HOME or ESG funds?

\_\_\_\_\_ yes

\_\_\_\_\_ no

(CDBG and HOME Only)

a. Administrative Costs

These are items such as staff salaries (total or a percentage) for positions providing a direct service, fringe benefits, employment taxes, etc. List each line entry separately.

b. Operational Costs

These are expenses necessary to support the daily operation and overall management of the proposed program/activity.

c. Program Audit Cost

If approved as a CDBG or HOME Subrecipient, a complete financial audit of program funds is required at the end of the 12-month period. The audit must be prepared by a Certified Public Accountant. Include a cost estimate for this service in your proposed budget. Please indicate if audit expense is either included in this

CDBG or HOME request, absorbed by the agency, or an in-kind service to the agency.

(ESG Only)

- a. Include a detailed budget of projected expenditures for the proposed activity and a separate budget showing how this proposed activity would fit into the over-all organization's budget.
- b. In the event that an organization wishes to submit proposals for multiple projects and/or activities, a complete separate proposal, with all required attachments should be submitted for each activity. For example, if an agency wishes \$15,000 for assistance with rapid re-housing costs and \$25,000 to provide homeless prevention, and \$20,000 for street outreach, three (3) full, separate proposals should be submitted. This will enable reviewers to evaluate each proposed service/activity independent from others. Agencies may wish to indicate their priorities among multiple proposals.
- c. Documentation to support match requirements. Funding under these grants will require that each applicant supplement its grant with equal amounts of matching funds from sources other than ESG. In calculating the match amount, the following may be utilized:
  1. Value of any donated material or building.
  2. Value of any lease on a building.
  3. Any salary paid to staff in carrying out ESG programs.
  4. Volunteer hours for services at \$5.00 per hour.
  5. Other grants or monetary donations.
- d. Rules and Regulations that govern this program may be obtained from the Community & Housing Development Department.

**B. Agency Information**

Background:

Provide a brief narrative outlining the organization's overall purpose; goals and objectives; services offered, and target population served. Include the length of time the agency has been in operation, the date of incorporation, the purpose of the agency, and the type of corporation. Discuss past accomplishments and the impact these efforts have made on target population. State if your organization has experience with the Community Development Block Grant Program or other federal programs/grants.

Personnel:

Briefly describe the agency's existing staff positions and qualifications. State whether or not the agency has an established personnel policy with an affirmative action plan and grievance procedures.

Financial:

Please provide a copy of the agency's current line item operating budget. This budget should identify all other funding sources. Describe the agency's fiscal management system including financial reporting, record keeping, accounting systems, payment procedures, and audit requirements. Also, indicate whether you have personnel capable of performing the financial management of these grant funds.

**III. REQUIRED DOCUMENTS (CDBG and ESG only)**

The below are required for the evaluation of proposals. Should an award be made, the City may require additional documentation per local, state, or federal guidelines.

**Organizational Chart**

Indicate where the proposed CDBG and/or ESG project will fit into the organizational structure. Identify any staff position(s) whose total salary shall be shared between CDBG and/or ESG and other funding sources. State what percentage of time will be devoted to the CDBG and/or ESG supported activity.
