

**OFFICE OF SUPPLIER DIVERSITY  
CITY OF MOBILE**

Disadvantaged Business Enterprise (DBE)  
Compliance Form

**Instructions:** City of Mobile Mun. Code Sec 14-2 requires that the city in all contracts shall make every reasonable effort to require that the contractors have at least fifteen percent participation by socially and economically disadvantaged individuals or that fifteen percent of the value of city contracts shall be awarded to qualified contractors who are socially and economically disadvantaged.

This form asks for your intentions to meet the city's disadvantaged business enterprise and person requirements as a potential contractor for the city of Mobile. For purposes of this form, disadvantaged individuals or enterprises include persons or small-business-enterprise owners who are women, members of a racial minority, or disabled military veterans.

**BIDDERS:** Please complete the following and submit with your bid. Failure to complete and submit this form will render your bid as non-responsive.
