We will allow a discount \_\_\_\_\_ % 20 days from date of receipt of goods and correct invoice of completed order.

1. All quotations must be signed with the firm name and by an authorized officer or employee.
2. Verify your bid before submission as it cannot be withdrawn or corrected after being opened. In case of error in extension of prices, the unit price will govern.
3. If you do not bid, return this sheet and state reason. Otherwise, your name may be removed from our mailing list.
4. The right is reserved to reject any, or all quotations, or any portions thereof, and to waive technicalities if deemed to be in the interest of the City of Mobile.
5. This bid shall not be reassignable except by written approval of the Purchasing Agent of the City of Mobile.
6. State brand and model number of each item. All items bid must be new and latest model unless otherwise specified.
7. If bid results are desired, enclose a self-addressed and stamped envelope with your bid. (All or None bids only)
8. Do not include Federal Excise Tax as exemption certificate will be issued in lieu of same. The City is exempt from the Alabama and City sales taxes.
9. PRICES ARE TO BE FIRM AND F.O.B. DESTINATION UNLESS OTHERWISE REQUESTED.
10. BID WILL BE AWARDED ON ALL OR NONE BASIS UNLESS OTHERWISE STATED.
11. Bids received after specified time will be returned un-opened.
12. Failure to observe stated instructions and conditions will constitute grounds for rejection of your bid.
13. Furnish literature, specifications, drawings, photographs, etc., as applicable with the items bid.
14. Vendor May be required to obtain City of Mobile Business License as applicable to City of Mobile Municipal Code Section 34-50. For Business License inquiry contact the Revenue Department at (251) 208-7461 or [cityofmobile.org/taxes.php](http://cityofmobile.org/taxes.php).
15. If a bid bond is required in the published specifications, see below:  
Each Bid Shall be Accompanied By A **Cashier's Check, Certified Check, Bank Draft Or Bid Bond** For the Sum Of Five (5) Percent Of The Amount Bid, Made Payable To The City Of Mobile And Certified By A Reputable Banking Institution. All Checks Shall Be Returned Promptly, Except The Check Of The Successful Bidder, Which Shall Be Returned After Fulfilling The Bid.
16. Contracts in excess of \$50,000 require that the successful bidder make every possible effort to have at least fifteen (15) percent of the total value of the contract performed by socially and economically disadvantaged individuals.
17. All bids/bid envelopes must have the bid number noted on the front. Bids that arrive unmarked and are opened in error shall be returned to vendor as an unacceptable bid.
18. If successful vendor's principal place of business is out-of-state, vendor may be required to have a Certificate of Authority to do business in the State of Alabama from the Alabama Secretary of State prior to issuance of a Purchase Order. Vendors are solely responsible for consulting with the Secretary of State to determine whether a Certificate is required. See [www.sos.alabama.gov/BusinessServices/ForeignCorps.aspx](http://www.sos.alabama.gov/BusinessServices/ForeignCorps.aspx) . Please note that the time between application for and issuance of a Certificate of Authority may be several weeks.
19. Vendors do not need a City of Mobile Business License or Certificate of Authority from the Alabama Secretary of State to submit a bid, but will need to obtain the Business License and Certificate of Authority, if applicable, prior to issuance of a Purchase Order.

# SPECIFICATIONS

The following specifications are provided in order to describe and specify the design, construction, materials and equipment to be utilized and installed in the fabrication of an Animal Transport unit. Any item not specified should be considered standard equipment.

## DESCRIPTION:

Standard Animal Control Unit having six (6) animal compartments and one (1) equipment storage compartment. Fabricated using molded fiberglass-reinforced plastic construction to eliminate seams and cracks. Smooth finish with rounded compartment corners to facilitate clean-out.

YES \_\_\_\_\_ NO \_\_\_\_\_

## WEIGHT:

Weight of basic unit exclusive of optional items - 900 pounds.

YES \_\_\_\_\_ NO \_\_\_\_\_

## BODY DIMENSIONS:

Body overall - 98" long x 78" wide. Height above frame at rear wheels - 38".

Overall height when mounted - 68". (75" to top of air blower housing.)

YES \_\_\_\_\_ NO \_\_\_\_\_

## COMPARTMENT DIMENSIONS:

Street side:	
Front	26" wide x 30" high x through body.
Center	26" wide x 30" high x 32" deep.
Rear	26" wide x 30" high x 32" deep.
Curb side:	
Front	26" wide x 30" high x through body.
Center	26" wide x 30" high x 32" deep.
Rear	26" wide x 30" high x 32" deep.

YES \_\_\_\_\_ NO \_\_\_\_\_

## FRONT THROUGH COMPARTMENT:

Left and right front compartments connected to form one "through" compartment. Compartment to have heavy grille door installed in center and hinged on top to form two compartments when in vertical position. Equipped with spring-loaded latches to hold in vertical position, or in horizontal open position.

YES \_\_\_\_\_ NO \_\_\_\_\_

## STORAGE COMPARTMENT:

Storage compartment to be located at rear of body with access door. Compartment to be 12" wide x 30" high x 64" deep. Door hinged on stainless steel hinge with full gaskets and closed with stainless steel 6" recessed D-handle latch with locking cylinder. Compartment for use in carrying stretcher, ketch-all pole, ropes, traps, and other supplies.

YES \_\_\_\_\_ NO \_\_\_\_\_

**CONSTRUCTION:**

Full fiberglass-reinforced plastic construction throughout with smooth finish. Color to be Frost White F8W-2030 gel coat molded into body during fabrication. Four (4) cross-members molded into bottom of unit. Sides skirted to center line of rear wheels with cut-outs at rear wheels of proper size to permit easy removal of wheels when required. Roof section to have fresh-air blower hood on front with air distribution tunnel full length. Roof to be reinforced underneath with channel for added strength. Polished aluminum rain gutter molding installed around entire unit at roof line to prevent water "run off" from body roof into animal/storage compartments. Bottom of unit to be completely enclosed to reduce heat build-up around compartments and to provide a "dead-air" insulating space around compartments.

YES \_\_\_\_\_ NO \_\_\_\_\_

**COMPARTMENTS:**

Each compartment to be of "one-piece" molded fiberglass construction without cracks or seams to eliminate collection of dirt or diseases. Each compartment to be a separate compartment to prohibit contact by animals with animals in adjoining compartment; and each compartment to have smooth finish with rounded corners to facilitate clean-out. Drain pan in front of each compartment having drain hole with fitting. Rear of each compartment top to have holes therein for entrance of power-driven fresh air; of enough size and quantity to permit free exchange of air four or five times per minute.

YES \_\_\_\_\_ NO \_\_\_\_\_

**COMPARTMENT DOORS:**

Doors to be of full fiberglass-reinforced plastic construction. Doors to have smooth finish both sides to prevent collection of dirt and disease on interior door panels. Doors to be hinged on full length special stainless-steel hinges to permit full opening of door, closed with stainless steel recessed 6" D-handle latch having locking cylinder, and all latches keyed alike. Each door to be hinged toward front and fitted with rubber gasket on latch edge to eliminate rattle. Each door to have (5) large louver type vents molded directly into exterior fiberglass door panel. Louvers to provide minimum of 20 square inches of air flow for each animal compartment permitting free expelling of air from inside compartments when power-driven air blower is used.

YES \_\_\_\_\_ NO \_\_\_\_\_

**SAFETY DOORS:**

Heavy duty nylon coated wire grille safety doors consisting of 3/8" frame and horizontal rods. 1 / 4" vertical rods welded at all intersections. Safety doors installed inside regular doors to prohibit escape of animals when one or more are placed within compartment. Door to have 6" x 3-1/2" arm and pole cut-out in center at latch edge. Door hinged toward front on stainless steel spring loaded hinges and equipped with spring-loaded slam type door latch. Door to swing out when open providing full use of depth of compartment.

YES \_\_\_\_\_ NO \_\_\_\_\_

**LIGHTS:**

All Federal and State required body marker lights, reflectors, dual back-up lights, and license light installed. Combination rear stop-tail-turn signal lights, and center mount stop light installed on rear. Wiring to be Cross-Link Number 14 wire and covered with heavy plastic loom where exposed. No wiring to be within compartments where accessible by animals.

YES \_\_\_\_\_ NO \_\_\_\_\_

**FOUR-WAY FLASHERS:**

Auxiliary four-way flasher lights, to be installed on upper rear corners with red lens and wired through rear stop light and turn signals with heavy-duty flasher installed. Flasher to provide additional flashing lights for safety when hazard warning switch is turned on.

YES \_\_\_\_\_ NO \_\_\_\_\_

**BUMPER/MUD FLAPS:**

Heavy 11 gauge tubular steel rear bumper installed, reinforced to truck frame. Aluminum Safety-tread step plate cap installed on top/face of bumper. Mud and splash guards installed at rear wheels with required brackets.

YES \_\_\_\_\_ NO \_\_\_\_\_

**MOUNTING:**

Body mounted onto truck chassis frame using three mounting-points on each side of chassis frame. Each mounting point to have rubber body mounting isolator installed to reduce excess vibration and strain on body. Body to be mounted as low as possible consistent with proper rear tire clearance underneath. Mounting by City of Mobile.

YES \_\_\_\_\_ NO \_\_\_\_\_

**REAR – 7” x 9” WARNING:**

Two (2) – Whelen 900 series 7” X 9” L.E.D. light heads installed on upper rear body panels in upper corners. Lights to have amber colored lens. Lights wired circuit breaker and operating switch installed on cab panel.

YES \_\_\_\_\_ NO \_\_\_\_\_

**SCENE LIGHTS- SIDE AND/OR REAR:**

One pr. Weldon #3710-1000 work lights installed - (2) on upper rear body roof rails and/or (1) ea. body side at roof side body roof rails. Lights wired with Cross-Link Number 14 wire and properly fused with circuit breaker with switch located on cab panel.

YES \_\_\_\_\_ NO \_\_\_\_\_

**COMPARTMENT LIGHTS:**

Seven (7) compartment lights recessed in top center of animal/storage compartments. Wiring to be Cross-Link Number 14 with heavy-duty loom where exposed. No wiring run through animal compartments. Required breaker installed. Switch on cab dash panel.

YES \_\_\_\_\_ NO \_\_\_\_\_

**POLYVINYL DECKING:**

Heavy-duty fungus resistant polyvinyl tiles installed on animal compartment floors to provided dry skid free resting area. Tiles easily removable for cleaning and disinfecting.

YES \_\_\_\_\_ NO \_\_\_\_\_

**SMALL ANIMAL CARRIER SLIDE TRAYS:**

Two (2) slide out trays installed in curb rear compartment. Trays constructed from 1/8 aluminum mounted on heavy duty 30" grant slides. Trays to accommodate six 18" long x 9" wide x 11" high carriers or four 11" wide x 12" high x 27" long traps.

YES \_\_\_\_\_ NO \_\_\_\_\_

**PULL-OUT FOLD-DOWN RAMP:**

20" wide x 64" long lightweight aluminum tread ramp installed under right side front compartment. Ramp to have non-slip type tread palate walk surface. Ramp to have required pull handle and catch to hold in place when in stored position.

YES \_\_\_\_\_ NO \_\_\_\_\_

**BACK UP ALARM:**

EECO type model #510 97 decibels back-up alarm install under body at rear bumper wired through chassis reverse circuit.

YES \_\_\_\_\_ NO \_\_\_\_\_

**EXTREME TEMPERATURES AIR CONDITIONING SYSTEM:**

27,000 btu independent body air conditioning system installed to include Seltec tm-16 engine mounted compressor with required mounting brackets, belts and pulleys, Danhard model 00096 27,000 btu air conditioning evaporator with 800 cfm rated dual fans and Danhard 35,000 btu roof mounted condenser. Removable body roof mounted access panel. Air to be ducted to each animal compartment through individual flexible ducting hoses. Required dryer, sight glass, low pressure switch, hoses, fittings and dash mounted controls supplied by Body manufacturer. City of Mobile to install Setecc compressor with brackets. System connected to engine mounted compressor by City of Mobile. System fully charged, tested by City of Mobile. Belt routing, bracket and pulley alignment to be fully tested and calibrated by City of Mobile. Test results documented and placed in owner's manual.

YES \_\_\_\_\_ NO \_\_\_\_\_

**TEMPERATURE MONITOR:**

Digital temperature indicator gauge installed on chassis cab dash. Unit wired through sensor probe located in body air duct allowing driver to monitor animal compartment temperature from cab.

YES \_\_\_\_\_ NO \_\_\_\_\_

**REAR VIEW CAMERA (Optional):**

Supply One (1) Rear view camera system to be installed by City of Mobile per manufacturer's installation instructions. System includes a 5.5" color screen with bracket, and video cable. City of Mobile to install preform and document Field of View Conformity testing as required by FMVSS 111 regulations.

YES \_\_\_\_\_ NO \_\_\_\_\_

**WARRANTY:**

Body and specified equipment is warranted free of defects for a period of Two (2) years after delivery. Defective equipment to be replaced without charge during this period with purchasing agency responsible for labor cost involved in replacement of defective part. Air Conditioning and heating equipment to carry manufacturer warranty. Warning lights and electrical equipment to carry manufacturer's warranty. Body manufacturer shall be responsible for defects in fiberglass-plastic materials during this same period of time.

YES \_\_\_\_\_ NO \_\_\_\_\_

**OWNERS MANUAL:**

**Owner's manual supplied with completed unit to include operating and maintenance instructions, parts lists, center of gravity weight calculations, and wiring diagrams.**

YES \_\_\_\_\_ NO \_\_\_\_\_

**The following page is the suggested layout of the Animal control body being bid by the City of Mobile. This drawing and layout is based on the Swab Wagon drawing that follows.**

**The drawing is to represent what the City Desires and is not indicative that the City will only accept a Swab Wagon, it is just eth layout likes by the City of Mobile.**

**The Danhart information that follows the drawing is to indicate what eth City wants the air conditioning system to do and the warranty the City would like to receive as a minimum.**

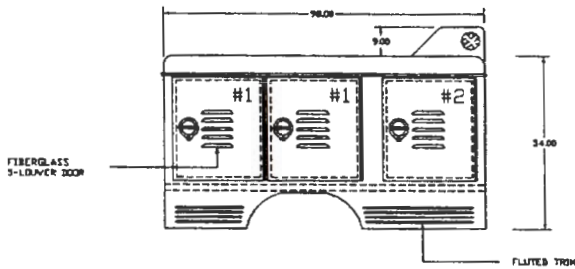

**COMPARTMENT SIZES:**

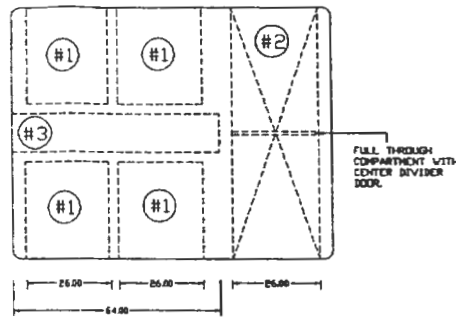

- #1 26' WIDE X 30' HIGH X 32' DEEP.
- #2 26' WIDE X 30' HIGH X THRU-BODY
- #3 12' WIDE X 30' HIGH X 64' DEEP.

TOTAL BODY WEIGHT LESS OPTIONS - 800 LBS.

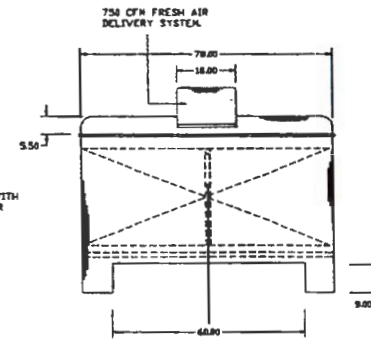

**RIGHT SIDE COMPARTMENTS**

**FLOOR PLAN**

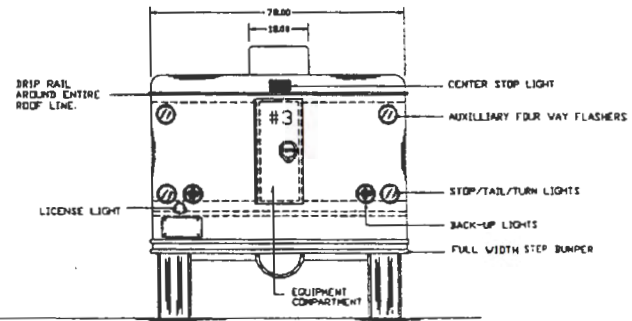

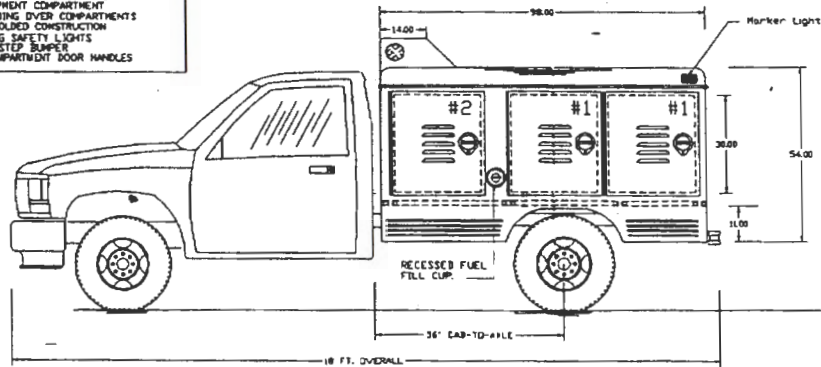

**FRONT BODY**

**STANDARD FEATURES:**

- 750 CFM AIR DELIVERY SYSTEM
- OVER 93 CUBIC FT. OF ANIMAL SPACE
- STANDARD "FRONT THROUGH" COMPARTMENT
- EXTRA LARGE EQUIPMENT COMPARTMENT
- RAIN GUTTER MOUNTING OVER COMPARTMENTS
- SOLID FIBERGLASS MOLDED CONSTRUCTION
- FOUR WAY FLASHING SAFETY LIGHTS
- FULL WIDTH REAR STEP BUMPER
- EXTRA LARGE 6" COMPARTMENT DOOR HANDLES

**REAR BODY**

**12 Volt Warranty****DANHARDAFTERMARKETWARRANTYPOLICY  
FOR SYSTEMS AND COMPONENTS**

Danhard, Inc. offers the following Limited Warranty on air conditioning systems, components, and heaters subject to the conditions listed below. There are **NO** other warranties implied.

This **Warranty** covers 12 Volt and 24 Volt Systems, components and parts. There is a separate warranty for our 110 Volt and 220 Volt Systems.

Danhard warrants complete air conditioning systems which consists of the evaporator assembly, condenser, hose set, receiver/drier, compressor and clutch, and heaters which were purchased from them for a period of twelve (12) months from the original date of installation and covers both parts and labor. Failures due to poor manufacturing workmanship or materials, under normal conditions of use are covered by this warranty. Products which fail during this warranty period will be repaired, replaced or credited at Danhard's option, **when proper warranty registration and filing procedures have been followed.**

Danhard warrants **service and/or replacement parts** for a period of ninety (90) days from date of installation. This includes all service parts sold by Danhard which failed during this warranty period. These failed parts will be **replaced, repaired or credited** at Danhard's option, **when proper warranty filing procedures have been followed. There is no labor allowance given on service parts.**

Any air conditioning components not sold as a parts of a complete air condition system will be considered as a **service part**. Units installed utilizing components purchased from other suppliers and/or manufacturers are not covered by this warranty.

This warranty is expressly in lieu of any other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose and of any other obligations of Danhard to the purchaser whether for direct or consequential damage otherwise. Danhard neither assumes nor authorizes any other person to assume for it any other liability in connection with such unit or parts. Danhard reserves the right to make changes in design and for improvement upon its products without imposing any obligations upon itself to install the same upon its products theretofore manufactured. The company policy as outlined herein is effective December 31, 2001. It may be changed or altered with notification issued by Danhard, Inc., 3839 Dilido Road, Dallas, Texas 75228.

## 12 Volt Warranty

C Compressor mounting brackets and compressors are subject to their respective manufacturer's warranty.

D Items specifically excluded from replacement are new compressors of any kind unless the manufacturer determines that the compressor failure is due to manufacturing workmanship or materials and credit is given to Danhard for the defective compressor, or compressors with leaking shaft seals, which we may, at our discretion, replace the shaft seal kit only.

E This warranty does not cover units or components installed on aircraft of any type.

### WARRANTY FILING PROCEDURES

A **The Warranty Registration Card which is packed with your unit is to be completed in its entirety, signed, and the Factory Original mailed to Danhard, Inc.** Copies are to be retained by the Customer and the Installing Center.

B The Unit Serial Number and Danhard Part Number are already indicated on the Warranty Registration Card.

C Upon receipt of the factory copy of the Warranty Registration Card, it is filed under the name of the Installing Center.

### WARRANTY CLAIMS

A Warranty claims will be accepted from

(1) Actual original owner of unit with proper supporting documentation:

**OR**

(2) The dealer who originally purchased the unit from Danhard: **OR**

(3) The installing center: **OR**

(4) Certified Automotive A/C Service Center

B Claim will be paid on a cost per warranty part basis.

C Claims requiring 134a refrigerant charging will receive a credit for a maximum of four (4) pounds of refrigerant. Credit will not be given for use of any other type of refrigerant.

**12 Volt Warranty**

D. No allowance will be made for mileage, travel time, down time, shipping expenses, or related expenses.

E. **The RGA Number** must be obtained from Danhard in order to return any warranty items. Warranty items must be returned to Danhard, Inc., 3839 Dilido Road, Dallas, Texas 75228, **freight prepaid**, within thirty (30) days of receipt of replacement item. The **RGA Number** must be clearly marked on the outside of the shipping container. Danhard reserves the right to examine all returned warranty items before issuance of credit can take effect.

F. **ALL CLAIMS ARE SUBJECT TO REVIEW AND VERIFICATION AT THE DISCRETION OF DANHARD, INC. TOTAL WARRANTY CLAIM(S) CAN NOT EXCEED THE COST OF THE PART AND/OR SYSTEM.**

**WARRANTY LABOR SCHEDULE**

A. Labor allowances apply only to **complete unit installations**, i.e. evaporator assembly, condenser, hose set, receiver/drier, compressor and clutch, that have the Warranty Registration Card filled out and received by Danhard.

B. Replacement parts carry no labor warranty. These parts are subject only to having the part replaced, if deemed defective by the manufacturer.

C. Indicated below is Warranty Labor Schedule, Diagnosis, Remove and Replace.
