## RE: City of Mobile Bid #5876 for ¾ TON EXTENDED CAB TRUCK WITH UTILITY BODY

Please consider the following to be Addendum to City of Mobile Bid #5876 for ¾ ton extended cab truck with utility body.

Chassis shall be 2-wheel drive (2WD).

Chassis shall have a receiver hitch.

Utility body compartments shall have an LED lighting that is switched with a manual toggle switch. Compartment lights may be powered from the truck's taillight circuit.

Receiver hitch to be accessible.

Rear bumper shall be a recessed frame mounted bumper with center recess to trailer hitch.

Rear bumper recess shall allow for mounting of pintle hitch if City so desires. (Pintle access cut out).

Thank you for your consideration in this matter.
