Bidders and Proposers – Please complete and submit these forms as required by your City of Mobile Bid or Proposal Specification.

If you are submitting a proposal in response to a Request for Qualifications, Request for Proposal, or other solicitation (“Solicitations”) issued by the City of Mobile, the bid specification may require you to utilize disadvantaged business enterprise (“DBE”) subcontractors and suppliers. If DBE participation is required, you must complete and submit these forms with your proposal. If required, failure to submit this form will render your bid non-responsive. NOTE: To satisfy participation requirements for a federally funded project, you must utilize DBEs certified through the Alabama Unified Certification Program.

If DBE participation is required, and you fail to satisfy the participation requirement, you must show that you made a good faith effort to include such participation; you will be required to submit DBE Compliance Form 2 and include additional information if needed. When so required, failure to address adequately the good faith effort factors on Form 2 will render your bid or proposal non-responsive. The “good faith effort” factors on Form 2 are not intended to be a mandatory, exhaustive, or exclusive.

You are encouraged to work with the City of Mobile Supplier Diversity Manager when preparing this form. Please consult with the City Supplier Diversity Manager for a list of eligible DBEs. The “good faith effort” factors on **Form 2** are not intended to be mandatory, exhaustive, or exclusive; they are a tool to help you, and the City of Mobile, determine whether you made efforts which, by their scope, intensity, and appropriateness to the objective, would reasonably be expected to fulfill the participation requirement.

About “**DBEs**”: Disadvantaged business enterprise or DBE means a for-profit small business concern (1) That is at least 51 percent owned by one or more individuals who are both socially and economically disadvantaged or, in the case of a corporation, in which 51 percent of the stock is owned by one or more such individuals; and (2) whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own it.

About “**Good Faith**” **Effort**: Good faith efforts means efforts to achieve a DBE goal or other requirement of this part which, by their scope, intensity, and appropriateness to the objective, can reasonably be expected to fulfill the program requirement. The City of Mobile expects contractors holding large contracts to recruit and engage DBEs to be a part of their team.

Failure to submit this form, when so required by the bid or proposal specification, will render your bid non-responsive.

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

Acknowledge the receipt of Addendum No.1, Addendum No.2, Addendum No.3, Addendum No.4, Addendum No.5, Addendum No.6, Addendum No.7, Addendum No. 8, this Addendum No. 9, and all subsequent Addenda, if any, in the space provided on the Quote Form. Forms and Specifications: N/A

Drawings: Delete Sheet A-6, Addendum #7 – Rev. 6/29/2022 and replace with Sheet A-6, Addendum # 9 – Rev. 6/30/2022.

RFI's:

Question 1. "To laser engrave these round signs as item D, artwork will be needed. Size to be laser engraved can be up to 11.5 inches diameter. Mechanically engraved can be larger, with less sharpness than possible with laser. I recommend laser engraving for these if the size change can be approved".

Answer. The "M" logo is identified as type "M" on the chart, identified with the letter B on Sheet A-2, Addendum #6 – Rev. 6/24/2022. The "M" logo must match materials, dimensions, fonts, and techniques used on the existing signage located on the County side.

(Existing Signage)

11.5" dimension is acceptable if after completely removing the existing vinyl the new "M" logo exceeds the area where the vinyl was placed.

Question 2. "Looking at the restroom sign drawing carefully, if made as described, the signs will not match anything else in construction. I think the surface is not supposed to be acrylic, just the back plate, and 1/4" thickness is required. Otherwise the acrylic must be non glare matte. I know the shape is different, but I believe the surface is silver, letters and pictogram are black and the acrylic backing piece is 1/4" clear, with no number or anything to appear on the clear. This will be in keeping with the other building signage. Standoffs are brushed stainless 5/8" x 5/8" rise. Please confirm."

Answer. In order to comply with ADA requirements, your suggestion has been accepted. See Sheet A-6, Addendum #9, Rev. 6/30/2022 attached.

Question 3. "I would like to ask for time extension on the 10 floor sign package. July 9 Thursday would give me the time needed to complete and deliver the bid to Government Plaza"

Answer. Quote opening date and time shall be changed to July 9, 2022 at 3:00 P.M. local time.
