## **PRICING SHEET FOR OIL CHANGE FOR BID #5311**

For vehicles with oil capacities of 29 quarts or less.

**Price Per Change: \$** \_\_\_\_\_

For vehicles with oil capacities of 30 quarts or more.

**Price Per Change: \$** \_\_\_\_\_

Award will be based on the total number of units in each group times the price of the oil change of the group.

The City is looking for the one (1) price per grouping.

The City is not looking for different prices for all the various capacities that are listed on the sheet attached to the bid.

The City recognizes that there are different prices for different quantities, but the City is attempting to simplify the process paperwork-wise.
