13. NON-RESIDENT (OUT OF STATE) SERVICE CONTRACTORS:

- A. Preference to Resident Service Contractors: Section 39-3-5, Code of Alabama, 1975, provides that a non-resident (out of State) bidder domiciled in a state which grants a preference to local Service Contractors is to be awarded a public contract on the same basis as the non-resident bidder's state awards contracts to Alabama bidders. Alabama bidders are given a preference to the same extent that a non-resident bidder receives a preference in his home state. A non-resident bidder must include with any written bid documents a written opinion of an attorney licensed to practice in the non-resident bidder's state declaring what preferences, if any, exists in the non-resident's state.

Out of state Bidders should register and secure the required Certificate before submitting a Bid. The account number shall be included on the Bid Form.

14. LOCAL PREFERENCE AWARDS

- A. The City of Mobile awards contracts to the lowest responsible bidders in competitive bidding processes prescribed by Alabama law. Section 41-16-50 of Alabama Code allows the City to establish competitive bid preferences for local businesses and certain other types of Alabama businesses. Here's how these preferences work:
 - 1) The Competitive Bid Law applies to the expenditure of funds for labor, services, work, for the purchase of personal property with a value of \$15,000 or more, and for the lease of personal property where the terms of the lease require payment of \$15,000 or more.
 - 2) State law authorizes local preferences for acquisitions under the Competitive Bid Law. Local preferences do not apply to contracts for improvements to public property under the Public Works Law.
 - 3) Resident Responsible Bidders- The City may award a bid to a responsible bidder with a place of business within the City or its police jurisdiction if the bid is no more than 5% more than the lowest responsible bidder. The City may apply the 5% preference when the apparent lowest responsible bidder is located anywhere outside the City or its police jurisdiction.
 - 4) Foreign Entities- A foreign entity is a business that does not have a place of business within the State.
 - 5) Preference for Resident Responsible Bidders against Foreign Entities- The City may award a bid to a responsible bidder with a place of business within the city or its police jurisdiction if the bid is not more than 10% more than the apparent lowest responsible bid submitted by a Foreign Entity.
 - 6) Preference for Disadvantaged Businesses- The City may award a bid to a "qualifying" responsible bidder with a place of business anywhere in the State if the bid is not more than 10% more than the apparent lowest responsible bid from a Foreign Entity. For purposes of this preference, a "qualifying" responsible bidder is: (1) a woman-owned enterprise; (2) an enterprise of small

business, as defined in Section 25-10-3; (3) a minority owned business enterprise; (4) a veteran-owned business enterprise; or (5) a disadvantaged-owned business enterprise.

B. Summary of Preferences:

Local business has a 5% price preference over a lowest bidder that has a place of business in Alabama but not local to the City. Local business has a 10% price preference over a lowest bidder that does not have a place of business anywhere in Alabama. A small, woman-owned; minority-owned; veteran-owned; or disadvantaged owned business, that has a place of business in Alabama, has a 10% preference over a lowest bidder that does not have a place of business in Alabama.

C. City Discretion:

The City has the sole discretion whether to apply these preferences to a particular bid award, and to determine whether a responsible bidder meets the preference categories described above.

D. “Place of Business”:

The City considers a “place of business” to be a specific location actually occupied, either continually or on a regular basis, by the City or someone in the City’s employment. It should be a place where the public can engage in commercial transactions, or regular, routine operations are conducted by employees in furtherance of the business enterprise. An occasional use or occupation of a place for business purposes is not sufficient to constitute a place of business. Mere unimproved pieces of property used simply for storage, or locations that serve purposes primarily other than that single entity’s “place of business,” such as an individual’s home or residence, or an agent’s or attorney’s office who may represent multiple parties out of that specific location, do not qualify as a “place of business” for these purposes.

“Owned” means 51% or greater active ownership by a person or persons of the designated preference category.

E. Questions to be answered by all vendors (regardless of whether intending to claim a preference):

- 1) Do you operate a place of business within the City of Mobile or the City’s police jurisdiction? If so, please describe the nature and location of your business facility here, addressing the factors mentioned above.
- 2) If you do not have a place of business within the City or the City’s police jurisdiction, do you operate a place of business within the State of Alabama? If so please describe.
- 3) Should the City consider your business: woman-owned, a small business, minority-owned, veteran-owned, or disadvantaged-owned? If so, please provide any evidence for why the City should consider your business to be characterized in one or more of these categories. Please submit any current certifications you may have relating to these categories.

15. ALABAMA IMMIGRATION ACT

- A. The State of Alabama Immigration Law (Act No. 2011-535 as amended by Act No.

2012- 491), requires that Service Contractors not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama. In addition, Service Contractors are required to enroll in the federal E-Verify program and submit verification of enrollment to the City.

16. ANTI-BOYCOTT STATEMENT

- A. Public contracts with entities engaging in certain boycott activities:
 - (a), Per State of Alabama Code, Section 41-16-5 (b), (Act No. 2016-312), subject to subsection (c), a governmental entity may not enter into a contract governed by Title 39 or Chapter 16, Title 41, with a business entity unless the contract includes a representation that the business entity is not currently engaged in, and an agreement that the business entity will not engage in, the boycott of a person or an entity based in or doing business with a jurisdiction with which this state can enjoy open trade.
- B. (c) (1) This section does not apply if a business fails to meet the requirements of subsection (b) but offers to provide the goods or services for at least 20 percent less than the lowest certifying business entity.
- C. This section does not apply to contracts with a total potential value of less than fifteen thousand dollars (\$15,000).
- D. Nothing in this section requires a business entity or individual to do business with any other particular business entity or individual in order to enter into a contract with a governmental entity.

17. CITY OF MOBILE BUSINESS LICENSE

- A. City of Mobile Business License is required and must be current at time of bidding.

Bidders and Proposers – Please complete and submit these forms as required by your City of Mobile Bid or Proposal Specification.

If you are submitting a proposal in response to a Request for Qualifications, Request for Proposal, or other solicitation (“Solicitations”) issued by the City of Mobile, the bid specification may require you to utilize disadvantaged business enterprise (“DBE”) subcontractors and suppliers. If DBE participation is required, you must complete and submit these forms with your proposal. If required, failure to submit this form will render your bid non-responsive. NOTE: To satisfy participation requirements for a federally funded project, you must utilize DBEs certified through the Alabama Unified Certification Program.

If DBE participation is required, and you fail to satisfy the participation requirement, you must show that you made a good faith effort to include such participation; you will be required to submit DBE Compliance Form 2 and include additional information if needed. When so required, failure to address adequately the good faith effort factors on Form 2 will render your bid or proposal non-responsive. The “good faith effort” factors on Form 2 are not intended to be a mandatory, exhaustive, or exclusive.

You are encouraged to work with the City of Mobile Supplier Diversity Manager when preparing this form. Please consult with the City Supplier Diversity Manager for a list of eligible DBEs. The “good faith effort” factors on **Form 2** are not intended to be mandatory, exhaustive, or exclusive; they are a tool to help you, and the City of Mobile, determine whether you made efforts which, by their scope, intensity, and appropriateness to the objective, would reasonably be expected to fulfill the participation requirement.

About “**DBEs**”: Disadvantaged business enterprise or DBE means a for-profit small business concern (1) That is at least 51 percent owned by one or more individuals who are both socially and economically disadvantaged or, in the case of a corporation, in which 51 percent of the stock is owned by one or more such individuals; and (2) whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own it.

About “**Good Faith**” **Effort**: Good faith efforts means efforts to achieve a DBE goal or other requirement of this part which, by their scope, intensity, and appropriateness to the objective, can reasonably be expected to fulfill the program requirement. The City of Mobile expects contractors holding large contracts to recruit and engage DBEs to be a part of their team.

Failure to submit this form, when so required by the bid or proposal specification, will render your bid non-responsive.

ARTICLE 7. Insurance:

7.1 Required coverage:

- 7.1.1** On or before the inception of this Agreement, and annually thereafter for the duration of this Agreement (or longer if stated otherwise), Contractor and/or any subcontractors shall maintain the following insurance policies on a primary and non-contributing basis.

Workers' Compensation/Employer's Liability:

Regardless of any "minimum requirements" of the State of Alabama, Contractor shall obtain Workers' Compensation insurance covering all workers involved in the Project. Where applicable, U.S. Longshore and Harborworkers Compensation Act Endorsement and/or Maritime Coverage Endorsement shall be attached to the policy. Contractor shall also obtain Employer's Liability insurance with minimum limits of \$1,000,000 each accident, \$1,000,000 disease limits, and \$1,000,000 each employee.

Commercial General Liability:

Contractor shall also obtain Commercial General Liability coverage with the following minimums:

- \$1,000,000 each occurrence (combined single limit for bodily injury and property damage)
- \$2,000,000 Products/Completed Operations aggregate
- \$1,000,000 Personal and Advertising Injury per person/organization
- \$2,000,000 general aggregate per project

Automobile Liability:

Contractor shall also obtain a minimum of \$1,000,000 combined single limit coverage per accident, including owned, hired and non-owned automobiles. *(If Contractor does not own an automobile, but one is used in the execution of the contract, then only "hired and non-owned coverage" is required. If a vehicle is not used in the execution of the contract, then automobile coverage is not required.)*

Commercial Umbrella Liability:

Contractor shall also obtain Umbrella Liability of at least \$2,000,00 per line of coverage over and above the limits of liability required in the Employers Liability, General Liability, Automobile Liability, and Professional Error and Omissions (*if required*) policies. The Umbrella coverage form will be at least as broad as the underlying policies. The Additional Insureds requirements of underlying policies shall also be met by the Umbrella.

Certificates of Insurance:

Contractor and/or any Subcontractor shall provide City of Mobile with valid certificates of insurance within ten (10) days from the date of issuance of contract forms for execution verifying said insurance requirements have been met. Attached to each certificate of insurance, shall be a copy of the Additional Insured Endorsement that is part of the Contractor/Subcontractor's Commercial General Liability Policy. Policies must be issued by companies with an A.M. Best rating of A-VII or better. All deductibles or Self-Insured Retentions for each policy shall not exceed \$10,000 unless otherwise indicated by City of Mobile. The Description section of the Certificate shall contain reference to the Project name. The Contractor shall ensure that each Subcontractor complies with the terms of this Section.

Additional Insureds:

These liability policies shall endorse City of Mobile as an **Additional Insured**. Coverage for City of Mobile and their officers, directors and employees as additional insureds shall be provided by a policy provision or by an endorsement providing coverage at least as broad as Insurance Service Office (ISO) Additional Insured endorsement from CG2010 1185 Form B, or CG2010 1001 in conjunction with CG2037 1001, or an equivalent form that provides Additional Insured status for Products and Completed Operations. Forms that are limited to "liability arising out of your ongoing operations" or that do not extend to Products and Completed Operations are not acceptable. Should a separate excess and/or umbrella liability policy be used to satisfy the above required limits, said policy will also be endorsed to include the contractor, owner et al. as an additional insured. Additionally, Contractor agrees to continue to procure and maintain liability insurance coverage meeting these requirements for the statutory limitation of claims (or statute of repose, if applicable) after the Project completion.

The policies shall be endorsed to stipulate that the insurance afforded the additional insureds shall apply as primary insurance and that any other insurance or self-insurance maintained by City of Mobile shall be excess only and shall not be called upon to contribute with this insurance. A copy of each endorsement shall be attached to the Certificate of Insurance. The Certificate shall indicate the Certificate Holder as:

City of Mobile
P.O. Box 1827
Mobile, AL 36633

Pollution Legal Liability:

Contractor agrees to maintain Pollution Legal Liability limits of not less than \$1,000,000 Each Occurrence, \$2,000,000 Annual Aggregate. Contractor agrees the policy shall include a minimum three-year Discovery (tail) reporting period, and a Retroactive Date that equals or precedes the effective date of the Contract, or the performance of Work hereunder. This coverage may be provided on a Per-Project Basis.

Professional Errors and Omissions:

If “Professional” services are rendered in this service contract, then minimum coverage limits of \$1,000,000 each claim and Policy Aggregate, an Extended Discovery period to apply for at least two (2) years after Contractor’s work is accepted by City of Mobile and a deductible not to exceed \$10,000, for which Contractor will remain solely responsible for, shall apply. OPTION- If the Self-Insured Retention (SIR) exceeds \$10,000, then City of Mobile shall have the right to review the Contractor’s most recent Audited financial statement.

“Claims-made” policies shall carry a retroactive date prior to the effective date of this project. In the event the policy is cancelled, non-renewed, switched to an Occurrence Form, or any other circumstance that triggers the right to purchase a Supplemental Extended Reporting Period (SERP) during the life of this project, then Contractor shall purchase a SERP with a minimum reporting period of not less than two (2) years. The requirement to purchase a SERP shall not relieve the Contractor of the obligation to provide replacement coverage.

Insurance Requirements for Sub-subcontractors:

Contractor shall ensure that its subcontractors of any tier shall procure and maintain insurance that complies with the requirements set forth in this Attachment A, including the additional insured, primary and non-contributory and waiver of subrogation requirements. Copies of the certificate(s) must be provided prior to the sub-subcontractors entering the site.

Cancellation:

Each policy shall be endorsed to provide that the insurance company agrees that the policy shall not be modified, canceled, changed, allowed to lapse, or expire for any reason without at least thirty (30) days written notice to City of Mobile. Not less than two (2) weeks prior to the expiration, cancellation, or termination of any such policy, the Contractor/Subcontractor shall supply City of Mobile with a new and replacement certificate of insurance and Additional Insured endorsement as proof of renewal of said original policy. Said new and replacement endorsements shall be similarly endorsed in favor of City of Mobile and City of Mobile’s parties as set

forth above.

Waiver of Subrogation:

Contractor shall waive its right to subrogation on each of the policies herein. If any of the policies do not permit the insured to enter into a pre-loss waiver, or voids coverage because of same, then this Waiver of Subrogation requirement shall not apply and Contractor shall obtain a Waiver of Transfer of Rights of Recovery Against Others, or its equivalent. Insurance required by this Agreement shall be as broad as necessary to support the indemnification requirement in said contract or as broad as the indemnitor's insurance coverage, whichever is broader.

7.1.2 Certificate of Liability Insurance Endorsement Page

The following language shall be required on the Certificate of Insurance:

City of Mobile is included as an Additional Insured in respect to all policies (except Workers Compensation and Professional Liability when applicable), which coverage shall be Primary and Non-contributory. Waiver of Subrogation applies in favor of City of Mobile with respect to all policies. Thirty (30) Day Notice of Cancellation, non-renewal or material change shall apply (except 10 days for non-payment).

ARTICLE 8. Miscellaneous Provisions

- 8.1** Breach of Contract: In the event of any breach or apparent breach by Service Contractor of any of its obligations under the terms of this Agreement, and in the further event that City shall engage the services of any attorney to protect or to enforce its rights with respect to said breach or apparent breach, then and in those events, Service Contractor agrees to pay and to reimburse any and all reasonable attorneys' fees and expenses which City may incur with respect to City's enforcement of this Agreement; regardless of whether said attorneys' fees and costs shall be incurred in connection with any litigation or in connection merely with advice and representation provided without litigation.
- 8.2** Indemnification: Service Contractor agrees to indemnify and hold the City, its elected officials, officers, agents, and employees, whole and harmless from all costs, liabilities and claims for damages of any kind (including interest and attorneys' fees) arising in any way out of the performance of this Agreement and/or the activities of Service Contractor, its principals, directors, agents, servants and employees in the performance of this Agreement, for which the City is alleged to be liable. In the event that the City, through no fault of its own, is made a party to any lawsuit or legal proceeding arising in any way from this Agreement or any activities conducted pursuant thereto, Service Contractor hereby agrees to pay all of City's costs of defense, including but not limited to all attorneys' fees, court costs, expert witness fees and other expenses, through trial and, if necessary, appeal. This section is not, as to third parties or to anyone, a waiver of any defense or immunity or statutory

- damages cap otherwise available to Service Contractor or City, and these defenses and matters may be raised in the City's behalf in any action or proceeding arising under this Agreement.
- 8.3** Entire Agreement: This Agreement is the final expression of the agreement between the parties, and the complete and exclusive statement of the terms agreed upon, and shall supersede all prior negotiations, understandings or agreements. There are no representations, warranties, or stipulations, either oral or written, not contained herein.
- 8.4** Governing Law and Venue: This Agreement shall be governed by the laws of the State of Alabama, and the appropriate venue for any actions arising out of this Agreement shall be a court of proper jurisdiction in Mobile, Alabama.
- 8.5** Licenses, permits, etc.: Service Contractor shall obtain, at its own expense, all necessary professional licenses, permits, insurance, authorization and assurances necessary in order to abide by the terms of this Agreement.
- 8.6** No Agency Relationship Created: Service Contractor, in the performance of its operations and obligations hereunder, shall not be deemed to be an agent of the City but shall be deemed to be an independent contractor in every respect and shall take all steps at its own expense, as City may from time to time request, to indicate that it is an independent contractor. City does not and will not assume any responsibility for the means by which or the manner in which the services by Service Contractor provided for herein are performed, but on the contrary, Service Contractor shall be wholly responsible therefore.
- 8.7** Anti-discrimination: Service Contractor shall comply with all Federal, State and local laws concerning nondiscrimination, including but not limited to City of Mobile Ordinance No. 14-034 which requires, inter alia, that all contractors performing work for the City of Mobile not discriminate on the basis of race, creed, color, national origin or disability, require that all subcontractors they engage do the same, and make every reasonable effort to assure that fifteen (15%) percent of the work performed under contract be awarded to socially and economically disadvantaged individuals and business entities.
- 8.8** Assertion of Rights: Failure by the City to assert a right or remedy shall not be construed as a waiver of that right or remedy.
- 8.9** State of Alabama Immigration Law: By signing this contract, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.

- 8.10** Public contracts with entities engaging in certain boycott activities: By signing this contract, the Service Contractor further represents and agrees that it is not currently engaged in, nor will it engage in, any boycott of a person or entity based in or doing business with a jurisdiction with which the State of Alabama can enjoy open trade.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
