Alabama Bidders are given a preference to the same extent as a non-resident. Bidder receives a preference in his home state. 15. LOCAL PREFERENCE AWARDS

- A. The City of Mobile awards contracts to the lowest responsible Bidders in competitive bidding processes prescribed by Alabama law. Section 41-16-50 of Alabama Code allows the City to establish competitive bid preferences for local businesses and certain other types of Alabama businesses. Here's how these preferences work:
1. The Competitive Bid Law applies to the expenditure of funds for labor, services, work, for the purchase of personal property with a value of \$15,000 or more, and for the lease of personal property where the terms of the lease require payment of \$15,000 or more.
 2. State law authorizes local preferences for acquisitions under the Competitive Bid Law. Local preferences do not apply to contracts for improvements to public property under the Public Works Law.
 3. Resident Responsible Bidders- The City may award a bid to a responsible Bidder with a place of business within the City or its police jurisdiction if the bid is no more than 5% more than the lowest responsible Bidder. The City may apply the 5% preference when the apparent lowest responsible Bidder is located anywhere outside the City or its police jurisdiction.
 4. Foreign Entities- A foreign entity is a business that does not have a place of

business within the State.

5. Preference for Resident Responsible Bidders against Foreign Entities- The City may award a bid to a responsible bidder with a place of business within the city or its police jurisdiction if the bid is not more than 10% more than the apparent lowest responsible bid submitted by a Foreign Entity.
6. Preference for Disadvantaged Businesses- The City may award a bid to a “qualifying” responsible Bidder with a place of business anywhere in the State if the bid is not more than 10% more than the apparent lowest responsible bid from a Foreign Entity. For purposes of this preference, a “qualifying” responsible Bidder is:
 - a. a woman-owned enterprise;
 - b. an enterprise of small business, as defined in Section 25-10-3;
 - c. a minority owned business enterprise;
 - d. a veteran-owned business enterprise; or
 - e. a disadvantaged-owned business enterprise.

B. Summary of Preferences:

Local business has a 5% price preference over a lowest Bidder that has a place of business in Alabama but not local to the City. Local business has a 10% price preference over a lowest Bidder that does not have a place of business anywhere in Alabama. A small, woman-owned; minority-owned; veteran-owned; or disadvantaged owned business, that has a place of business in Alabama, has a 10% preference over a lowest Bidder that does not have a place of business in Alabama.

C. City Discretion:

The City has the sole discretion whether to apply these preferences to a particular bid award, and to determine whether a responsible Bidder meets the preference categories described above.

D. “Place of Business”:

The City considers a “place of business” to be a specific location actually occupied, either continually or on a regular basis, by the City or someone in the City’s employment. It should be a place where the public can engage in commercial transactions, or regular, routine operations are conducted by employees in furtherance of the business enterprise. An occasional use or occupation of a place for business purposes is not sufficient to constitute a place of business. Mere unimproved pieces of property used simply for storage, or locations that serve purposes primarily other than that single entity’s “place of business,” such as an individual’s home or residence, or an agent’s or attorney’s office who may represent multiple parties out of that specific location, do not qualify as a “place of business” for these purposes.

- E. “Owned” means 51% or greater active ownership by a person or persons of the designated preference category.
- F. Questions to be answered by all vendors (regardless of whether intending to claim a preference):
 1. Do you operate a place of business within the City of Mobile or the City’s police jurisdiction? If so, please describe the nature and location of your business facility here, addressing the factors mentioned above.
 2. If you do not have a place of business within the City or the City’s police jurisdiction, do you operate a place of business within the State of Alabama? If so, please describe.

3. Should the City consider your business: woman-owned, a small business, minority owned, veteran-owned, or disadvantaged-owned? If so, please provide any evidence for why the City should consider your business to be characterized in one or more of these categories. Please submit any current certifications you may have relating to these categories.

16. ALABAMA IMMIGRATION ACT

- A. The State of Alabama Immigration Law (Act No. 2011-535 as amended by Act No. 2012-491), requires that Service Contractors not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama. In addition, Service Contractors are required to enroll in the federal E-Verify program and submit verification of enrollment to the City.

17. ANTI-BOYCOTT STATEMENT

- A. Public contracts with entities engaging in certain boycott activities:
 - (a), Per State of Alabama Code, Section 41-16-5 (b), (Act No. 2016-312), subject to subsection (c), a governmental entity may not enter into a contract governed by Title 39 or Chapter 16, Title 41, with a business entity unless the contract includes a representation that the business entity is not currently engaged in, and an agreement that the business entity will not engage in, the boycott of a person or an entity based in or doing business with a jurisdiction with which this state can enjoy open trade.
- B. (c) (1) This section does not apply if a business fails to meet the requirements of subsection (b) but offers to provide the goods or services for at least 20 percent less than the lowest certifying business entity.
- C. This section does not apply to contracts with a total potential value of less than fifteen thousand dollars (\$15,000).
- D. Nothing in this section requires a business entity or individual to do business with any other particular business entity or individual in order to enter into a contract with a governmental entity.

18. CITY OF MOBILE BUSINESS LICENSE

- A. City of Mobile Business License is required and must be current at time of bidding.

Bidders and Proposers – Please complete and submit these forms as required by your City of Mobile Bid or Proposal Specification.

If you are submitting a proposal in response to a Request for Qualifications, Request for Proposal, or other solicitation (“Solicitations”) issued by the City of Mobile, the bid specification may require you to utilize disadvantaged business enterprise (“DBE”) subcontractors and suppliers. If DBE participation is required, you must complete and submit these forms with your proposal. If required, failure to submit this form will render your bid non-responsive. NOTE: To satisfy participation requirements for a federally funded project, you must utilize DBEs certified through the Alabama Unified Certification Program.

If DBE participation is required, and you fail to satisfy the participation requirement, you must show that you made a good faith effort to include such participation; you will be required to submit DBE Compliance Form 2 and include additional information if needed. When so required, failure to address adequately the good faith effort factors on Form 2 will render your bid or proposal non-responsive. The “good faith effort” factors on Form 2 are not intended to be a mandatory, exhaustive, or exclusive.

You are encouraged to work with the City of Mobile Supplier Diversity Manager when preparing this form. Please consult with the City Supplier Diversity Manager for a list of eligible DBEs. The “good faith effort” factors on Form 2 are not intended to be mandatory, exhaustive, or exclusive; they are a tool to help you, and the City of Mobile, determine whether you made efforts which, by their scope, intensity, and appropriateness to the objective, would reasonably be expected to fulfill the participation requirement.

About “**DBEs**”: Disadvantaged business enterprise or DBE means a for-profit small business concern (1) That is at least 51 percent owned by one or more individuals who are both socially and economically disadvantaged or, in the case of a corporation, in which 51 percent of the stock is owned by one or more such individuals; and (2) whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own it.

About “**Good Faith**” **Effort**: Good faith efforts means efforts to achieve a DBE goal or other requirement of this part which, by their scope, intensity, and appropriateness to the objective, can reasonably be expected to fulfill the program requirement. The City of Mobile expects contractors holding large contracts to recruit and engage DBEs to be a part of their team.

Failure to submit this form, when so required by the bid or proposal specification, will render your bid non-responsive.
