

Addendum 1
City of Mobile
Request for Bids 5235

PERSONNEL PAYROLL/STAFFING SERVICES
“YES” YOUTH INTERN PROGRAM

This **Addendum 1** provides two typographical corrections from the original request for bids:

1. Paragraph V.B. on page 3 of 3, the bid submission date is corrected to read Jan 15, 2019, consistent with the submission dates found elsewhere in the RFB document.
2. Page one of Exhibit C, Bid Submission form, the capacity and expertise certification, is corrected to read June and July 2019 as the months vendor will be expected to manage payroll services.

These corrections have been made and highlighted in the Request for Bid document available for download.

This **Addendum 1** also provides a copy of the 2018 Bid tabulation below.
