RE: City of Mobile Bid #5211 for Replacement of Engine in E-One Cyclone Pumper

Gentlemen:

Please consider the following to be an Addendum to City of Mobile Bid #5211 for Replacement of Engine in E-One Cyclone Pumper

ADD

Replace Existing Radiator with New Radiator

ADD

When installing the NEW E.C.M., do not program the E.C.M. to a Road or over the Road Truck. The E.C.M. must be programmed to that of a **Fire Apparatus** specifically Pumper. Fire Apparatus are operated and used in a Manner VERY different from a truck driven locally or driven over the road.

NEW TURBO:

ADD

If Remanufactured Engine comes with a Remanufactured Turbo, vendor needs not to provide an additional Turbo. If Remanufactured Engine does not have a Remanufactured Turbo vendor shall provide a New Remanufactured Turbo.

Page 1 of 2

NEW E.C.M.

ADD

A Remanufactured E.C.M. is acceptable. Vendor shall provide a replacement reman E.C.M.

NEW E.G.R.

ADD

A new to the vehicle remanufactured EGR is acceptable.

NEW OIL COOLER

ADD

If a Reman comes with the engine it is acceptable. If Reman Engine does not have vendor shall provide.

Thank you for your consideration in this matter.

Sincerely,

John Paine
