A Message from Mayor Stimpson

Fall is here, and the Mobile Parks and Recreation Department (MPRD) has a variety of programs, activities and events to help Mobilians relax, play, and celebrate the season! With milder weather on the way, it's the perfect time for outdoor sports, and MPRD is offering basketball, flag football, volleyball, and soccer leagues for many age groups. There will also be dozens of clinics and programs at the Mobile Tennis Center, Azalea City Golf Course and the Cottage Hill Gymnastics Center.

Our staff does an incredible job providing enriching and engaging activities for local seniors, children, teenagers and adults. The MPRD therapeutics team has also developed great adaptive programs for Mobilians living with disabilities so everyone can get active and enjoy the fun this fall.

The coming months will also be an incredible time for events in Mobile. LoDa ArtWalk will be abuzz with creativity, and Market in the Park will return to Downtown Mobile in October. There will also be many special events to celebrate your favorite fall holidays, from Halloween to Christmas!

No matter how you get active, MPRD wants to be a part of your fall fun this year. I hope this Activity Guide gives you a taste of all the great things the City of Mobile offers. While you're out, if you see one of the many staff members who make these kinds of events and programs possible, please thank them. They have worked very hard to ensure that there is something for everyone in Mobile to enjoy this fall.

Let's go get em'!

William S. Stimpson

The ADA Liaison provides inclusion to individuals with disabilities and/or medical conditions who request modifications to participate in other Parks and Recreation programs. The City of Mobile Parks and Recreation Department welcomes the participation of all individuals, including those with disabilities or special needs. We are committed to compliance with the ADA and provide reasonable modifications to facilitate program participation. We request that modification requests are made three weeks in advance, so we can communicate and prepare appropriate modifications. To request a modification or for more information, please contact us via email at mprdada@cityofmobile.org or at 251-208-6169.

PROGRAMMATIC PARTNERSHIPS

One of the main goals of our MPRD Programmatic Partnerships is to create and support high-quality recreational and educational activities and programs to Mobilians of all ages in a clean, safe, and welcoming environment. To do that, we invite applicants to propose self-funded programming such as classes, performances, or sports activities where they have proven expertise. Successful applicants will receive free training, space, and promotion to our 30,000+ followers on social media.

We protect the safety and security of our community by doing our due diligence. This includes background checks and a rigorous application process. All applicants must attend a mandatory technical assistance workshop before applying. They then deliver a presentation before a panel whose members vote to accept or deny each application.

For questions, please call: Jack Green (251-327-8725) or Cheryl Sigler (251-208-1660)
