Lane Closures on Government Street at Broad Street

MOBILE, Ala. – On Tuesday evening, August 17, 2021, crews will begin temporary lane closures on Government Street at Broad Street. These lane closures will last from 7 p.m. to 6 a.m. on Tuesday, August 17th and Wednesday, August 18th, as well as on Tuesday, August 24th and Wednesday, August 25th. More night work closures may be added as work progresses in that area. In coordination with MAWSS, crews will be installing valves on the water lines that run down Government Street. The addition of these valves will allow for better shut off control in the case of a water main break in the future.

The latest Revitalizing Broad Street construction project information is available online at <https://www.cityofmobile.org/reconnectingmobile/home/>. This page is the fastest and easiest way to stay informed about scheduled lane closures and other construction-related impacts.
