What to Expect

What's it For?

Welcome to the nineteenth edition of the Revitalizing Broad Street Improvement Project's **RECONNECTING** newsletter. In this issue, you will find out what is happening now and what comes next.

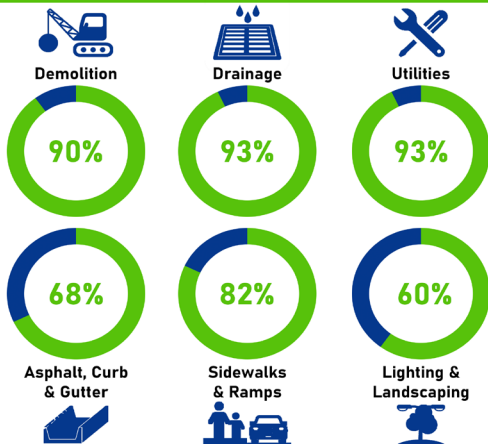

WHAT TO EXPECT

- **BROAD STREET:** Crews are preparing to open the Dauphin and Broad Street intersection before Thanksgiving. Broad Street will remain closed just past Dauphin to Government through the end of the year.

BROAD STREET CONSTRUCTION PROGRESS

As of October 31, 2021
Construction Contract Amount: \$16,666,116.02
Change Orders to Date: \$285,660.98

TRAFFIC NOTICE

- As Crews continue work on Broad Street, the intersection at Conti Street to Government will remain closed. This section is expected to remain closed through the end of the year. Crews are currently updating the storm drainage systems underground.

WEATHER UPDATE

Since April, Mobile has had multiple heavy rain days that have forced the project to pause for longer than expected periods of time. In recent weeks, we have had great weather with minimal rain disruption which has helped move the project along at lightning speed. The good weather has allowed crews to complete the Dauphin Street intersection in good time.
