West side of Dr. Martin Luther King, Jr. Avenue Closed at Broad Street

Mobile, AL – The west side of Dr. Martin Luther King, Jr. Ave. at Broad St. will be closed from Monday, February 17th to Wednesday, February 19th. This closure is due to utility work for the Broad Street project.

A marked detour will be in place utilizing Lawrence St., Short Bloodgood/Earl St., and Marmotte St.

All activities are weather-dependent and may be delayed or rescheduled in the event of inclement weather. Drivers are reminded to obey the 25-mph speed limit and to use caution, especially at night, when traveling through the work zone. Motorists should also watch for construction workers and equipment entering and exiting the roadway.

The latest Mobile TIGER Grant construction project information is available on the Web at <https://www.cityofmobile.org/reconnectingmobile/tiger-grant/>. This page is the fastest and easiest way to stay informed about scheduled lane closures and other construction-related impacts in the city.
