N. Broad Street Lane Closure and Traffic Shift

Mobile, AL – Drivers traveling N. Broad St. between St. Anthony St. and Lawrence St. will experience the following lane closure and traffic shifts beginning the evening of Thursday, April 16. The closure will enable workers to relocate utility lines and conduct road work.

- Northbound N. Broad St. - The outside northbound lane will be closed at St. Anthony St. At Congress St., northbound traffic will transition to the west side of the traffic separator.
- Southbound N. Broad St. - Traffic will be reduced to one lane between Lawrence Street and St. Anthony Street and transition back to two lanes south of the St. Anthony Street intersection.

All activities are weather-dependent and may be delayed or rescheduled in the event of inclement weather. Drivers are reminded to obey the 25-mph speed limit and to use caution when traveling through the work zone, especially at night. Motorists should watch for construction workers and equipment entering and exiting the roadway.

The latest Mobile TIGER Grant construction project information is available on the Internet at <https://www.cityofmobile.org/reconnectingmobile/tiger-grant/>. This page is the fastest and easiest way to stay informed about scheduled lane closures and other construction-related impacts.
