Intermittent Side Street Closures Along North Broad Street Extended

MOBILE, Ala. – The intermittent closure of side streets and driveways on North Broad Street between Lawrence and St. Anthony Streets in Mobile will continue through mid-December. The closures will last 15 to 20 minutes each. Traffic flaggers will be on hand to alert drivers of temporary closures and direct traffic to alternate routes.

The latest Revitalizing Broad Street construction project information is available online at <https://www.cityofmobile.org/reconnectingmobile/home/>. This page is the fastest and easiest way to stay informed about scheduled lane closures and other construction-related impacts.
