Springhill Avenue at Broad Street Reopening

MOBILE, Ala. – Springhill Avenue at Broad Street will be reopening on Tuesday, March 2, 2021. The reopening of Springhill Avenue will allow traffic traveling east and west to easily pass through the intersection at Broad Street. St. Anthony Street at Broad Street will be reverted to a traffic signal rather than the two-way stop it has been during construction. Broad Street south of Springhill Avenue will remain closed to through traffic as crews work toward St. Francis Street.

The latest Revitalizing Broad Street construction project information is available online at <https://www.cityofmobile.org/reconnectingmobile/home/>. This page is the fastest and easiest way to stay informed about scheduled lane closures and other construction-related impacts.
