

Updated Traffic Plan at Broad Street

Dear Residents,

We have heard some concerns about traffic flow around the Revitalizing Broad Street project, and we are actively taking steps to address them. Starting April 9, 2021, we will make several side streets closed to through traffic.

- Common Street
- Conti Street
- Caroline Street
- Pine Street
- Hallett Street
- Oakland Terrace

Please note the updated traffic plan below as you navigate the area. As always, we are monitoring the situation and constantly making adjustments as needed. Please reach out if you have any issues that we can address.
